

# He Proposed

Kelly Price

It was Valentine's Day, February the 14th  
My baby took me to a special place  
Said he had a surprise for me  
He told me to close my eyes  
So that I could not see  
And when I opened them up  
He was on one knee reachin' for my hand  
(That's when)He proposed to me  
He proposed with a diamond ring  
I started crying  
He placed it on my finger  
And I said, "Yes"  
He proposed to me  
My baby proposed with a diamond ring  
I couldn't believe it  
I looked in his eyes  
And I said, "Yes"  
I'll never forget that night  
It was 8: 43pm to be precise  
He looked into my eyes and said  
"You've made me the happiest man alive"  
Soon as I got home  
I called my mother on the phone  
I said, "You won't believe  
What just happened to me"He proposed to me  
He proposed with a diamond ring  
I couldn't believe it  
I started crying  
He placed it on my finger  
And I said, "Yes"  
He proposed to me  
My baby proposed with a diamond ring  
I couldn't believe it  
I looked in his eyes  
And I said, "Yes"  
'Cos we will be together baby  
And this I know, this I know  
See, we will love forever baby  
My heart told me so  
See, if you promise to hold me tight  
And never let me go  
We'll be husband and wife

For the rest of our livesHe proposed to me  
He proposed with a diamond ring  
I started crying  
He placed it on my finger  
And I said, "Yes"  
He proposed to me  
My baby proposed with a diamond ring  
I couldn't believe it  
I looked in his eyes  
And I said, "Yes" My baby asked me to love him  
So I'm gonna love him  
Said I couldn't believe it  
I looked in his eyes  
And I, I said, "Yes" Forever  
I said yes  
I couldn't believe it, no, no  
I said yesHe proposed and what a surprise  
Ten karats nearly filled my eyes  
So I started crying  
Looked in his eyes  
I said yeah, yeah, yeah  
Yeah, yeah, yeah, yeah  
YesMy baby proposed to me  
So I started crying  
With tears of joy
