Elastic Heart (feat. The Weeknd & Diplo)

Sia

And another one bites the dust Oh, why can I not conquer love? And I might have thought that we were one Wanted to fight this war without weaponsAnd I wanted it, I wanted it bad But there were so many red flags Now another one bites the dust Yeah, let's be clear I'll trust no oneYou did not break me I'm still fighting for peaceI've got thick skin and an elastic heart But your blade it might be too sharp I'm like a rubber band until you pull too hard I may snap and I move fast But you won't see me fall apart Cos I've got an elastic heart I've got an elastic heart Yeah, I've got an elastic heartAnd I will stay up through the night Let's be clear won't close my eyes And I know that I can survive I'll walk through fire to save my lifeAnd I want it, I want my life so bad I'm doing everything I can Then another one bites the dust It's hard to lose a chosen oneYou did not break me I'm still fighting for peaceI've got thick skin and an elastic heart But your blade it might be too sharp I'm like a rubber band until you pull too hard I may snap and I move fast But you won't see me fall apart Cos I've got an elastic heart I've got thick skin and an elastic heart But your blade it might be too sharp I'm like a rubber band until you pull too hard I may snap and I move fast But you won't see me fall apart Cos I've got an elastic heartI've got thick skin and an elastic heart But your blade it might be too sharp I'm like a rubber band until you pull too hard I may snap and I move fast But you won't see me fall apart Cos I've got an elastic heartI've got an elastic heart.
