## **Take Your Time**

## **Sam Hunt**

I don't know if you were looking at me or not
You probably smile like that all the time
And I don't mean to bother you but
I couldn't just walk by
And not say hiAnd I know your name
Cuz everybody in here knows your name
And you're not looking for anything right now

So I don't wanna come on strong

But don't get me wrong

Your eyes are so intimidating

My heart is pounding but

It's just a conversation

No girl I'm not gunna waste it

You don't know me

I don't know you but I want to

I don't wanna steal your freedom

I don't wanna change your mind

I don't have to make you love me

I just want to take your timeI don't wanna wreck your Friday

I ain't gunna waste my lies

I don't have to take your heart

I just wanna take your timeAnd I know it starts with hello

And the next thing you know your trying to be nice

And some guys getting too close

Tryin to pick you up

Trying to get you drunkAnd I'm sure one of your friends is about to come over here

Cuz she's supposed to save you from random guys

That talk to much and wanna stay too long

It's the same old song and dance but I think you know it well

You could rolled your eyes

Told me to go to hell

Coulda walked away

But your still here

And I'm still here

Come on let's see where it goesI don't wanna steal your freedom

I don't wanna change your mind

I don't have to make you love me

I just wanna take your timeI don't have to meet your mother

We don't have to cross that line

I don't wanna steal your covers

I just wanna take your timeI don't wanna go home with youI just wanna be alone with youI don't wanna steal your freedom

I don't wanna change your mind
I don't have to make you love me
I just wanna take your timeI don't wanna blow your phone up
I just wanna blow your mind
I don't have to take your heart
I just wanna take your timeNo, I ain't gotta call you baby
And I ain't gotta call you mine
I don't have to take your heart
I just wanna take your time
