

# Sun Comes Up

## John Legend

I know you think I'm like the other man  
You let him in and then he breaks your heart again  
But this thing is more than physical  
I free your mind and I bless your soul  
Tonight we're gonna lose track of time  
Body and spirit will intertwine  
And we'll stay here the rest of the night  
Baby when the sun comes up  
I'm gonna be holding you  
Its destiny that you're next to me  
I'm in love with you  
Oh baby, when I wake up,  
I'm gonna be next to you  
a new day rise  
I wanna look in your eyes, I'm in love with you  
Wait a minute baby, I'm not through  
I intend to spend more than one night with you  
A love affair that never ends  
Like the old song says "lets do it again"  
Come with me  
I know you'll stay  
You'll wake up in the morning to a brand new day  
That begins the rest of your life  
And baby,  
Baby when the sun comes up  
I'm gonna be holding you  
Its destiny that you're next to me  
I'm in love with you  
Oh baby, when I wake up,  
I'm gonna be next to you  
A new day rise  
I wanna look in your eyes  
And when morning breaks  
Ill awaken and I won't want you to go  
When your gone ill hold on to the memory all day  
Baby when the sun comes up  
Yeah, yeah yeah  
So listen here now  
I know you've been hurt by the wonderful  
And I know your pain  
And I know you never thought you could love again  
But I know the way  
Yeah yeah yeah  
I know about your circumstance, but love is here with a second chance  
So ah take my hand and follow me  
You'll never want to leave  
You'll still be here, oh yeah when the sun comes up  
You'll still be here oh yeah when the sun  
comes up

You'll still be here in the morning when the sun comes up  
Yeah yeah oh yeah when the sun comes up  
Yeah eh eh eh oh yeah when the sun comes up  
In the morning when i rise i wanna look into your eyes yeah when the sun  
Oh oh oh oh when the sun comes up  
Yeah ... when the sun comes up  
Yeah yeah when the sun comes up  
Yeah yeah eh oho when the sun comes up  
ohooo when the sun comes up  
Baby when the sun comes up yeah
