

# Free My Mind

## Alok, Rooftime & Dubdogz

Tryin' to free my mindBaby  
I've been travelin' on my own  
Tryin' to free my mind  
Tryin' to free my soul  
Lately  
I wonder how it feels  
Am I waitin' for somethin'?  
Am I waitin' for someone, now?  
Am I waitin' for somethin'?  
Am I waitin' for someone, now?  
(Tryin' to free my mind)I've seen saints, and they don't lie  
And I feel time just pass me by  
So tell me, now, I need to know  
Am I waiting for a go?(Tryin' to free my mind)  
Am I waitin' for somethin'?  
Am I waitin' for someone, now?  
Baby  
I've been travelin' on my own  
Tryin' to free my mind  
Tryin' to free my soul  
Lately  
I wonder how it feels  
Am I waitin' for somethin'?  
Am I waitin' for someone, now?Tryin' to free my mind  
Tryin' to free my soul
