

# I'd Die Without You

P.M. Dawn

Is it my turn to wish you were lying here.  
I tend to dream you when I'm not sleeping.  
Is it my turn to fictionalize my world.  
Or even imagine your emotions. Tell myself anything...  
Is it my turn to hold you by your hands.  
Tell you I love you and you not hear me...  
Is it my turn to totally understand.  
To watch you walk out of my life and not do a damn thing...  
If I have to give away...  
The feeling that I feel.  
If I have to sacrifice...  
Oh, whatever babe, whatever baby.  
If I have to take apart...  
All that I am...  
Is there anything that I would not do,  
since I'd die without you...  
Yeah baby  
since I'd die without you...  
since I'd die without you...  
Oh, I apologize for all the things I've done.  
But now I'm underwater and I'm drowning...  
Is it my turn to be the one to cry.  
Isn't it amazing how some things completely turn around...  
So take every little piece of my heart...  
Yeah, take every little piece of my soul...  
Yeah, take every little bitty piece of my mind...  
'Cause if you're gone... inside...  
I'd die without you...
