Trouble

[Cage the Elephant](#)

Ooo-oohWe were at the table by the window in the view
Casting shadows, the sun was pushing through
Spoke a lot of words, I don't know if I spoke the truthGot so much to lose
Got so much to prove
God don't let me lose my mindTrouble on my left, trouble on my right
I've been facing trouble almost all my life
My sweet love, won't you pull me through?
Everywhere I look I catch a glimpse of you
I said it was love and I did it for life
Did-did it for youOoo-ooh
We will come to pass, will I pass the test?
You know what they say, yeah
The wicked get no rest
You can have my heart, any place, any timeGot so much to lose
Got so much to prove
God don't let me lose my mindTrouble on my left, trouble on my right
I've been facing trouble almost all my life
My sweet love, won't you pull me through?
Everywhere I look I catch a glimpse of you
I said it was love and I did it for life
Did-did it for youTrouble on my left, trouble on my right
I've been facing trouble almost all my life
My sweet love, won't you pull me through?
Everywhere I look I catch a glimpse of you
I said it was love and I did it for life
Did-did it for you
Ooo-oohGot so much to lose
Got so much to prove
God don't let me lose my mind
