

Through Struggle

As I Lay Dying

Only through struggle have i found rest
with a piece of me taken away
I begin to understand
hollow out this machine like chest
with its gears that turn to make me feel
and assembled thoughts that fade awayOnly through struggle have I found rest
only through struggle have I found restRemove from me
this deception that I called love
that i called loveWith its gears that turn to make me feel
and assembled thoughts that fade awayRemove from me
this deception that I called love
that i called love
Only through struggle have I found rest
with a piece of me taken away
I begin to understand
I begin to understand
I begin to understand
