

# Through Struggle

## As I Lay Dying

Only through struggle have i found rest  
with a piece of me taken away  
I begin to understand  
hollow out this machine like chest  
with its gears that turn to make me feel  
and assembled thoughts that fade awayOnly through struggle have I found rest  
only through struggle have I found restRemove from me  
this deception that I called love  
that i called loveWith its gears that turn to make me feel  
and assembled thoughts that fade awayRemove from me  
this deception that I called love  
that i called love  
Only through struggle have I found rest  
with a piece of me taken away  
I begin to understand  
I begin to understand  
I begin to understand
