

# Pray for Me

Anthony Hamilton

I was stupid, really stupid.  
Something told me deep inside better not do it.  
What a dummy, such a dummy  
To let some mess I shouldn't did take you from me.  
Girl if I could take it back  
It'd be so back.  
I'd be such an angel,  
You'd think that me and Jesus was cool  
Like that, just like that,  
Everything between us be good. Girl I know what I should have done.  
Should have walked away the moment that I saw her coming  
But I blew it, really blew it  
And lost the only girl I love.  
Dear God if you're listening now  
I need you do a thing for me.  
You see my baby, she done up and walked out  
I need you bring her back to me.  
I know that I was wrong, I was guilty in sin  
Probably not priority  
But dear God if you're listening now  
Down here  
Dying  
Begging  
Crying  
Somebody need to pray for me (Mmhm) (x3)  
Dear God if you're listening  
(Mmhm) (x3)  
Thought I was something, really something  
In the end, who knew I'd end up with nothing?  
I was fronting, truly fronting  
Girl I really can't be mad I had it coming  
Guess if I was half the man I know I am  
I would be so good that even Oprah be jealous of you  
It's like that, yeah, like that  
Everything between us be good. Girl I know what I should have done.  
Should have walked away the moment that I saw her coming  
But I blew it, really blew it  
And lost the only girl I love. Dear God if you're listening now  
I need you do a thing for me.  
You see my baby, she done up and walked out  
I need you bring her back to me.  
I know that I was wrong, I was guilty in sin

Probably not priority  
But dear God if you're listening now  
I'm down here  
Dying  
Begging  
Crying  
Somebody oughta pray for me I'm making you this promise right now  
If you can do this one thing for me  
I'll be the man that you want  
I'll be the man that you need  
Church every Sunday  
Prayers every Monday  
Tuesday, Wednesday, Thursday and Friday  
Just bring my baby back to me. Dear God if you're listening now  
I need you do a thing for me.  
You see my baby, she done up and walked out  
I need you bring her back to me.  
I know that I was wrong, I was guilty in sin  
Probably not priority  
But dear God if you're listening now  
I'm down here  
Dying  
Begging  
Crying  
Somebody oughta pray for me Oh, Lord, please listen to my cry, yeah  
Bring my baby back to me  
Oh God, oh oh...
