Cake

Melanie Martinez

Your skin is warm like an oven, your kiss is sugary sweet Your fingers feel like cotton when you put your arms around me I feel like I'm just missing something whenever you leave You've got all the ingredients except you loving me And respectfullyI'm not a piece of cake for you to just discard While you walk away with the frosting of my heart So I'm taking back what's mine, you'll miss The slice of heaven that I gave to you last night You smell just like vanilla, you taste like buttercream You're filling up my senses with empty calories I feel like I'm just missing something whenever you leave You've got all the ingredients except you needing me So respectfullyI'm not a piece of cake for you to just discard While you walk away with the frosting of my heart So I'm taking back what's mine, you'll miss The slice of heaven that I gave to you last nightIf I am just a piece of cake I am just a piece of cake (cake) Then, you're just a piece of meat You're just a piece of meat to me If I am just a piece of cake I am just a piece of cake (cake) Then, you're just a piece of meat You're just a piece of meat to me I'm not a piece of cake for you to just discard While you walk away with the frosting of my heart So I'm taking back what's mine, you'll miss The slice of heaven that I gave to you last night The slice of heaven that I gave The slice of heaven that I gave to you The slice of heaven that I gave to you last night Song Discussions is protected by U.S. Patent 9401941.
