

# Still In Love With You

## Jonas Brothers

She was all I ever wanted  
She was all I ever needed and more  
She walked out my door  
Then she went away  
Left my heart in two  
Left me standing here  
Singing all these blues, yeah You left without a single word  
Not even sorry  
It might've hurt worse to hear you say  
I'm leaving, goodbye  
But your smile still makes my heart sing  
Another sad song  
I can't forget it  
I won't regret it  
Cause I'm still in love with you  
We had fun under the sun  
And when winter came she'd be my angel  
We were so in love  
Then she went away  
Left my heart in two  
Left me standing here  
Singing all these blues, yeah You left without a single word  
Not even sorry  
It might've hurt worse to hear you say  
I'm leaving, goodbye  
But your smile still makes my heart sing  
Another sad song  
I can't forget it  
I won't regret it  
Cause I'm still in love with you  
Still in love with you  
I don't know what hurts worse baby  
Seeing you with him or being alone  
On my own  
I know he doesn't love you baby  
Not like I did  
Oh, what's the point  
You're not listening anyway You left without a single word  
Not even sorry  
It might've hurt worse to hear you say  
I'm leaving, goodbye  
But your smile still makes my heart sing

Another sad song  
I can't forget it  
I won't regret it  
Cause I'm still in love with You left without a single word  
Not even sorry  
It might've hurt worse to hear you say  
I'm leaving, goodbye  
But your smile still makes my heart sing  
Another sad song  
I can't forget it  
I won't regret it  
Cause I'm still in love with you
