

# 2 In the Morning

## New Kids On the Block

Donnie:

Tick, tick, tock, tock

Tick, tick, tock, tock

Tick, tick, tock, tock

Jordan: Wake up wake up

Donnie: This is weighin' on me,

Jordan: Wake up wake up

Donnie: This is weighin' on my soul

Jordan:

I knew you must've had a long day

'Cause at 6 o'clock I heard you say

There was something that was on your mind

But you ain't told me and it's almost 9

Donnie:

Now we're starting the clock

And I thought we could talk

But you ain't given in (Jordan: Yea, girl)

Will this ever end?

Girl it's almost 10

Gotta know if you're mad at me

Before Grey's Anatomy

'Cause we could drag this out all night

Chorus: Until it's 2 in the morning

Girl, whatcha wanna do?

Do you wanna fight?

Wanna say goodnight?

If you tell me you want it

This could be over

'Cause it's 2 in the morning

Girl, whatcha wanna do?

Do you wanna fight?

Wanna say goodnight?

If you tell me you want it

This could be over

Jordan:

The lights are out

Don't wanna wake you so I'm creepin' in

I know you hurt

'Cause baby you're not sleeping in

My favorite pair of boxers

That you make look so hot girl

Your play sleeping

I know you're not

Donnie:

And now it's 12 o'clock  
And I thought I should talk  
But you're not listenin'  
Here we go again  
You know I like when

Jordan:

You got your back to me  
But not when you're mad at me  
Please look at me and say goodnight

Chorus:

It's almost 2 in the morning (Jordan: It's 2 in the morning)

Girl, whatcha wanna do?

Do you wanna fight?

Wanna say goodnight? (Jordan: Oh)

If you tell me you want it

This could be over

'Cause it's 2 in the morning (Jordan: Wake up wake up)

Girl, whatcha wanna do? (Jordan: No, no)

Do you wanna fight?(Jordan: I don't wanna fight, girl)

Wanna say goodnight? (Jordan: K)

If you tell me you want it (Jordan: This could be over)

This could be over (Jordan: This could be over)

Jordan: Oh oh oh

Donnie: I wanna come over (I wanna come over)

Jordan: Oh oh oh

Donnie: Baby turn over (baby turn over)

Jordan: Yea

Joe:

Girl I've laying up all night

Just waiting for your kiss goodnight

Even if you're mad at me

You know we shouldn't go to bed angry

Chorus:

Now it's 2 in the morning (Joe: It's 2 in the morning)

Girl, whatcha wanna do?

Do you wanna fight? (Joe: I don't wanna fight)

Wanna say goodnight? (Joe: Do you wanna fight girl?)

If you tell me you want it

This could be over (Jordan: Say that it's over)

'Cause it's 2 in the morning (Jordan: Wake up, wake up)

Girl, whatcha wanna do?

Do you wanna fight? (Jordan: No, no)

Wanna say goodnight? (Jordan: K)

If you tell me you want it

This could be over

Joe: We can work it out

Jordan: Wake up, wake up

Joe: We can work it out  
Jordan: Get up get up  
Joe: We can work it out  
I wanna come over  
Joe: We can work it out  
Jordan: Wake up, wake up  
Joe: We can work it out  
Jordan: Get up get up  
Joe: We can work it out  
I wanna come over
