

# Mona Lisa

## Sabrina Carpenter

[Verse 1]

Keep it casual, don't have to tippy toe  
Take your cares off, just stay a couple more  
You don't have to be, don't have to be a stranger  
Go and get a little closer  
Playing mind games, we don't do that here  
So put your bid in, before I disappear  
You don't have to be, don't have to be a stranger  
Come and get a little closer

[Pre-Chorus]

Ain't gotta hesitate  
Ain't gotta make me wait  
Oh, baby, won't you stay, yeah

[Chorus]

Both of my eyes, they've been fixing on you  
Wasting your time, should be making that move  
Come and say, "Hi, I've been dying to meet ya"  
Don't leave me hanging like the Mona Lisa  
What's on my mind, I've been thinking maybe  
I could be yours, by the time that we leave  
Come and say, "Hi, I've been dying to meet ya"  
Don't leave me hanging like the Mona Lisa, oh

[Verse 2]

I know your type works  
What's with that mean behavior?  
You let this oh la la la, intimidate ya  
Don't you make me, don't you make me leave on my own  
I'm already ready, come on

[Pre-Chorus]

Ain't gotta hesitate  
Ain't gotta make me wait  
Oh, baby, won't you stay, yeah

[Chorus]  
Both of my eyes, they've been fixing on you  
Wasting your time, should be making that move  
Come and say, "Hi, I've been dying to meet ya"  
Don't leave me hanging like the Mona Lisa  
What's on my mind, I've been thinking maybe  
I could be yours, by the time that we leave  
Come and say, "Hi, I've been dying to meet ya"  
Don't leave me hanging like the Mona Lisa, oh
