

# Just Saying

## 5 Seconds of Summer

. You got a boyfriend and he's a total loser  
All your friends tell you that he's got no future.  
But they like me  
Just saying.  
He barely takes you out and if he does he slay  
And when the check comes he always makes you pay.  
I'd never do that  
Just saying.  
You should leave him, 'cause it really makes me sick  
Just saying  
Just saying.  
You don't need him, I'll help you get over it  
Just saying  
Just saying.  
When you change your mind, I'll be waiting.  
'Cause I'm better than him  
Just saying.  
When you change your mind, I'll be waiting.  
(Just saying)  
Got a big house, he says he lives alone  
But when I drove by I can see his mum was home.  
I got my own place  
Just saying.  
He says he loves you, but it's all an act  
He's seeing someone else, well, behind your back.  
You know I'd never do that  
Just saying.  
You should leave him, 'cause it really makes me sick  
Just saying  
Just saying.  
You don't need him, I'll help you get over it  
Just saying  
Just saying.  
When you change your mind, I'll be waiting.  
'Cause I'm better than him  
Just saying.  
When you change your mind, I'll be waiting  
Just saying  
Just saying.  
You should leave him, 'cause it really makes me sick  
Just saying  
Just saying.

You don't need him, I'll help you get over it  
Just saying  
Just saying.

When you change your mind, I'll be waiting.  
'Cause I'm better than him  
Just saying.

When you change your mind, I'll be waiting.  
Just saying  
Just saying.
