Just Saying

5 Seconds of Summer

.You got a boyfriend and he's a total loser All your friends tell you that he's got no future. But they like me Just saying. He barely takes you out and if he does he slay And when the check comes he always makes you pay. I'd never do that Just saying. You should leave him, 'cause it really makes me sick Just saying Just saying. You don't need him, I'll help you get over it Just saying Just saying. When you change your mind, I'll be waiting. 'Cause I'm better than him Just saying. When you change your mind, I'll be waiting. (Just saying) Got a big house, he says he lives alone But when I drove by I can see his mum was home. I got my own place Just saying. He says he loves you, but it's all an act He's seeing someone else, well, behind your back. You know I'd never do that Just saying. You should leave him, 'cause it really makes me sick Just saying Just saying. You don't need him, I'll help you get over it Just saying Just saying. When you change your mind, I'll be waiting. 'Cause I'm better than him Just saying. When you change your mind, I'll be waiting Just saying Just saying. You should leave him, 'cause it really makes me sick Just saying Just saying.

You don't need him, I'll help you get over it Just saying Just saying. When you change your mind, I'll be waiting. 'Cause I'm better than him Just saying. When you change your mind, I'll be waiting.
