

Go Up (feat. Cat Power & Pharrell Williams)

Cassius

Everybody, everybody
Everybody, everybody
Everybody close your eyes,
Ascend, and go up
Everybody close your eyes,
Ascend, and go up
Everybody
Go Up
Ooh, oh-oh
I remember to live and kill
I remember singin' that song
Do you remember when you were young?
Don't you remember when you were singin' along? Everybody close your eyes,
Ascend, and go up
Everybody close your eyes,
Ascend, and go up
Everybody, everybody
Everybody, everybody
Everybody close your eyes,
Ascend, and go up,
Break it down! I remember all the fun,
I remember we were on the run
Do you remember where we belong?
Don't you remember when you were singin' along?
Everybody close your eyes,
Ascend, and go up
Everybody close your eyes,
Ascend, and go up
I don't know what you're looking for
What you're wanting, whether you go with us?
Traveling at the speed of mind, doing as I thought
Waiting??
(Beyond the stratosphere you just want to go up, baby
Like a balloon filled with helium, hey) Everybody, everybody
Everybody, everybody
Everybody close your eyes,
Ascend, and go up
Ascend, and go up
Ascend, and go up
Go Up! Everybody, everybody
Everybody, everybody
(Go up, go up)

Everybody, everybody
Everybody, everybody
(Go up, go up)
