

# Talk to Me

## Babyface

What must I say to you  
To get inside your head?  
Why must you always think  
I wanna get in your pants?  
Why I always gotta be  
The closest thing to wrong?  
Sometimes the only thing a brother need  
He need a woman to be strong  
Well I ain't cryin', I ain't cryin'  
Done 'bout run out of tears  
But you're the closest thing to heaven  
I need you to be near  
Hear me darlin', hear me darlin'  
I can't make it more clear  
The only thing that's gonna get me through  
Is if I got you right here  
Ooo girl, talk to me  
You're the only one that comforts me  
My only reality is I want you for my woman  
Ooo girl, speak to me  
Let me hear you sayin' that you're stayin' with me  
I know my reality is without you  
I ain't nothin' at all  
Why does everything I say to you  
Have to be suspected  
Feel like the only way i'll get with you  
Somethin' blows off my head  
Well I ain't tryin' to go out like that  
Wanna keep myself clean  
Sometime the only thing a brother need  
He need the strength from his queen  
I ain't lyin', I ain't lyin'  
Done 'bout run out of time  
The only time I wanna do right now  
Is feel you by my side  
Hear me darlin', hear me darlin'  
I can't be more sincere  
The only thing that's gonna get me through  
Is if I got you right here  
Ooo girl, talk to me  
You're the only one that comforts me  
My only reality is I want you for my woman

Ooo girl, speak to me  
Let me hear you sayin' that you're stayin' with me  
I know my reality is without you  
I ain't nothin' at all  
Well I said everything's gonna be alright  
When you stand by my side baby  
Gonna work things out tonight  
We're gonna make out just fine  
For once I'd like for you to be  
The one who has the faith in me  
And I promise I won't let you down this time  
Ooo girl, talk to me  
You're the only one that comforts me  
My only reality is I want you for my woman  
Ooo girl, speak to me  
Let me hear you sayin' that you're stayin' with me  
I know my reality is without you  
I ain't nothin' at all  
Ooo girl, talk to me  
You're the only one that comforts me  
My only reality is I want you for my woman  
Ooo girl, speak to me  
Let me hear you sayin' that you're stayin' with me  
I know my reality is without you  
I ain't nothin' at all  
Ooo girl, talk to me  
You're the only one that comforts me  
My only reality is I want you for my woman  
Ooo girl, speak to me  
Let me hear you sayin' that you're stayin' with me
