

The Ghost of You

My Chemical Romance

I never
Said I'd lie and wait forever
If I died
We'd be together I can't always just forget her
But she could try At the end of the world
Or the last thing I see
You are never coming home, never coming home
Could I? Should I? And all the things that you never ever told me
And all the smiles that are never ever
Ever get the feeling that you're never all alone?
And I remember now
At the top of my lungs in my arms she dies
She dies At the end of the world
Or the last thing I see
You are never coming home, never coming home
Could I? Should I? And all the things that you never ever told me
And all the smiles that are ever gonna haunt me
Never coming home, never coming home
Could I? Should I? And all the wounds that are ever gonna scar me
For all the ghosts that are never gonna catch me If I fall
If I fall
(Down)
At the end of the world
Or the last thing I see
You are never coming home, never coming home
Never coming home, never coming home
And all the things that you never ever told me
And all the smiles that are ever gonna haunt me
Never coming home, never coming home
Could I? Should I?
And all the wounds that are ever gonna scar me
For all the ghosts that are never gonna
