

# Due

## Mindless Self Indulgence

(DadadaDaDaDaDa DadaDaDaa DadaDaDaa) [x2]Everyone knows (woo!) what to know  
All except me and that ain't right  
Let me know (woo!) where to get  
The respect that I'm due, if only for tonight Watch me fix it in my basement  
With no make-up, I feel naked now (HA HA HA)  
I never really lost the fight but I never really won it  
(HA HA HA)  
In time my darling  
(HA HA HA)  
P.S. Welcome to my life
