

# Angela

## Missy Higgins

Clear the way, she's coming through  
With her eyeshadow of satin blue  
And her fingernails all painted new  
She's a danger you're addicted to Angela, Angela, you're a danger he's addicted to So move aside  
she has arrived  
With her baby neck and sleepy eyes  
She has heels that walk all over you  
She's a danger you're addicted to Angela, Angela, you're a danger he's addicted to  
Oh Angela, Angela, you're a danger he's addicted to And I try to be more like you  
Speak louder and prouder and hide in my love but it spills out Angela, Angela, you're a danger  
he's addicted to  
Oh Angela, Angela, you're a danger he's addicted to  
So I'll try to be more, more like you
