

Electrolite

R.E.M.

Your eyes are burnin' holes through me
I'm gasoline
I'm burnin' clean 20th century, go to sleep
You're plasticine
That is obscene
That is obscene You are the star tonight
You shine electric outta sight
Your light eclipsed the moon tonight
Electrolite
You're outta sight If I ever want to fly
Mulholland Drive
I am alive
Hollywood is under me
I'm Martin Sheen
I'm Steve McQueen
I'm Jimmy Dean You are the star tonight
You shine electric outta sight
Your light eclipsed the moon tonight
Electrolite
You're outta sight If you ever want to fly
Mulholland Drive
Up in the sky Stand on a cliff and look down there
Don't be scared
You are alive
You are alive
You are the star tonight
You shine electric outta sight
Your light eclipsed the moon tonight
Electrolite
You're outta sight 20th century, go to sleep
Really deep
We won't blink Your eyes are burnin' holes through me
I'm not scared
I'm outta here
I'm not scared
I'm outta here
