

¡Viva la Gloria!

Green Day

Hey Gloria
Are you standing close to the edge?
Lookout to the setting sun
The brink of your vision
Eternal youth
Is a landscape of the life
The cracks of my skin can prove
As the years will testify
Say your prayers and light a fire
We're going to start a war
Your slogan's a gun for hire
It's what we waited for Hey Gloria
This is why were on the edge
The fight of our lives been drawn to
This undying love.
Gloria, ¡viva la Gloria!
Your blast your name
In graffiti on the walls
Falling through broken glass that's
Slashing through your spirit
I can hear it like a jilted crowd. Gloria, where are you Gloria?
You found a home
In all your scars and ammunition
You made your bed in salad days
Amongst the ruin
Ashes to ashes of our youth
She mashed her knuckles into winter (Gloria)
As autumn's wind fades into black
She is the saint on all the sinners (Gloria)
The one that's fallen through the cracks
So don't put away your burning light
Gloria, where are you Gloria?
Don't lose your faith
To your lost naivete
Weather the storm and don't look
Back on last November
When your banners were burning down Gloria, ¡viva la Gloria!
Send me your amnesty down
To the broken hearted
Bring us the season
That we always will remember
Don't let the bonfires go out

So Gloria
Send out your message of the light
That shadows in the light.
Gloria, where's your undying love?
Tell me the story of your life
Your life!
