Promiscuous (feat. Timbaland)

Nelly Furtado

Am I throwing you off?

Nope

Didn't think so How you doin' young lady?

That feelin' that you givin' really drives me crazy

You don't have to play about the joke

I was at a loss of words first time that we spokeYou lookin' for a girl that'll treat you right You lookin' for her in the daytime with the lightYou might be the type if I play my cards right I'll find out by the end of the nightNelly: You expect me to just let you hit it

Will you still respect me if you get it?

All I can do is try, give me one chance.

What's the problem? I don't see no ring on your hand.

I be the first to admit it

I'm curious about you, you seem so innocentYou wanna get in my world, get lost in it Boy I'm tired of running, let's walk for a minutePromiscuous girl

Wherever you are

I'm all alone

And it's you that I want. Promiscuous boy

You already know

That I'm all yours

What you waiting for?Promiscuous girl

You're teasing me

You know what I want

And I got what you need

Promiscuous boy

Let's get to the point

Cause we're on a roll

Are you ready?Roses are red

Some diamonds are blue

Chivalry is dead

But you're still kind of cuteHey, I can't keep my mind off you

Where you at, do you mind if I come through?'m out of this world, come with me to my planet Get you on my level do you think that you can handle it? They call me Thomas

Last name Crown

Recognize game

I'm a lay mine's downI'm a big girl

I can handle myself

But if I get lonely I'mma need your help

Pay attention to me I don't talk for my healthI want you on my team

So does everybody elseShh, baby we can keep it on the low

Let your guard down ain't nobody gotta know

If you with it girl, I know a place we can goWhat kind of girl do you take me for?Promiscuous

girl

Wherever you are

I'm all alone

And it's you that I wantPromiscuous boy

You already know

That I'm all yours

What you waiting for?Promiscuous girl

You're teasing me

You know what I want

And I got what you needPromiscuous boy

Let's get to the point

Cause we're on a roll

Are you ready?Don't get mad, Don't get mean

Don't get mad, don't be meanHey! Don't be mad, don't get mean

Don't get mad, don't be meanWait... I don't mean no harmI can see you with my t-shirt on

I can see you with nothing on

Feeling on me before you bring that on

Bring that on?

You know what I mean

Girl, I'm a freak, you shouldn't say those things

I'm only trying to get inside your brain

To see if you can work me the way you say

It's okay, it's alright

I got something that you gon' like

Hey is that the truth or are you talking trash?

Is your game M.V.P. like Steve Nash?

Promiscuous girl

Wherever you are

I'm all alone

And it's you that I want

Promiscuous boy

I'm calling your name

But you're driving me crazy

The way you're making me wait

Promiscuous girl

You're teasing me

You know what I want

And I got what you need

Promiscuous boy

We're one in the same

So we don't gotta play games no more
