Remember

Josh Groban

Remember I will still be here As long as you hold me In your memoryRemember When your dreams have ended Time can be transcended Just remember meI am the one star that keeps burning So brightly It is the last light To fade into the rising sunI'm with you whenever you tell My story For I am all I've done Remember I will still be here As long as you hold me In your memory Remember meI am that warm voice in the cold wind That whispers And if you listen You'll hear me call across the skyAs long as I still can reach out And touch you Then I will never dieRemember I'll never leave you If you will only Remember me Remember I will still be here As long as you hold me In your memory Remember When your dreams have ended Time can be transcended I live forever Remember me Remember me Remember me
