The Piano Knows Something I Don't Know

Panic! At the Disco

I won't cut my beard and I won't change my hair It grows like fancy flowers but it grows nowhere My hair, my hairIf I could build my house just like the Trojan horse I'd put a statue of myself upon the shelf Of course, of course, of courseShe's the smoke She's dancin' fancy pirouettes Swan diving off of the deep end Of my tragic cigarette She's steam Laughing on the windowpanes The never-ending swaying haze Oh, that ever smiling maze Oh, that ever smiling maze Ballet Everything's gone missing I've lost more songs to floods I can't prove this makes any sense butI sure hope that it does Perhaps I was born with curiosity The likes of those of old crows The likes of those of old crowsAnd oh, how the piano knows The piano knows something I don't knowI won't cut my beard and I won't change my hair It grows like fancy flowers but it grows nowhere My hair, my hair If I could build my house just like the Trojan horse I'd put a statue of myself upon the shelf Of course, of course, of course Of course, of course, of course Of course, of course, of courseOf course Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
