## Cinema (Skrillex Remix) [feat. Gary Go]

## **Benny Benassi**

I could watch you for a lifetime, you're my favorite movie A thousand endings, you mean everything to me

I never know what's coming, forever fascinated

Hope you don't stop running to me 'cause I'll always be waitingYou are my cinema, I could watch you forever

Action, thriller, I could watch you forever

You are my cinema, a Hollywood treasure

Love you just the way you areMy cinema, my cinemaGet up, get down

Lose that sound

My DJ gonna break it downGet up, get down

Lose that sound

My DJ gonna break it down

Get up, get down

Lose that sound

My DJ gonna break it downGet up, get down

Lose that sound

Drop the bassMy cinemaStars spell out your name like in a science-fiction drama

Romance growing like a flower in the summer

You always keep me guessing, forever my wonder

Hope you start undressing all my dreams and take me underYou are my cinema, I could watch you forever

Action, thriller, I could watch you forever

You are my cinema, a Hollywood treasure

Love you just the way you areMy cinema, my cinema

Get up, get down

Lose that sound

My DJ gonna break it downGet up, get down

Lose that sound

My DJ gonna break it downGet up, get down

Lose that sound

My DJ gonna break it downGet up, get down

Lose that sound

Drop the bassMy cinemaYou are my cinema, I could watch you forever

Action, thriller, I could watch you forever

You are my cinema, a Hollywood treasure

Love you just the way you areMy cinema, my cinema, my cinema

My cinema, my cinema, my cinema

My cinema, my cinema, my cinema
