

Whatcha Reckon

Josh Turner

Ever since you caught my eye I can't get you off my mind
Girl, the way you move is driving me crazy
I don't mean to come on strong but I don't wanna wait too long
All I wanna do is make you my baby Whatcha reckon me take off early today?
Go and take a little ride in my Chevrolet
That a road we ain't been down before
See where it goes Whatcha reckon we lay it all on the line?
Take a chance and say what's on our mind
Girl, won't you let me hold you tight?
Whatcha reckon we fall in love tonight?
Thought you was good for my heart and I knew it right from the start
I've never felt a feeling like this before
Ain't no sin in taking it slow, we can take our time when we get old
We can start right now with you and me walking out the door Whatcha reckon me take off early
today?
Go and take a little ride in my Chevrolet
That a road we ain't been down before
See where it goes Whatcha reckon we lay it all on the line?
Take a chance and say what's on our mind
Girl, won't you let me hold you tight?
Whatcha reckon we fall in love tonight?
Hey whatcha reckon we lay it all on the line?
Take a chance and say what's on our mind
Girl, won't you let me hold you tight?
Whatcha reckon we fall in love tonight? Girl, won't you let me hold you tight?
Whatcha reckon we fall in love tonight?
