

# That Love (feat. Alkaline) [Dancehall Remix]

Shaggy

You got the lovin' that I need  
You've got it  
Baby let me plant a seed  
I've got it  
You got the lovin' that I need  
You've got it  
Your lovin' bring men to their knees  
That love, love, love  
I'm missin' my love, love, love  
Straight lovin', girl  
Oh and I can't wait to see her  
Your love made me a believer  
And I won't fight these feelings anymore  
I can't get enough of your love  
[Post-  
Lo-o-o-o, lo-o-o-o-ove  
Lo-o-o-o, lo-o-o-o-ove  
Straight lovin', girl  
Lo-o-o-o, lo-o-o-o-ove  
Good lovin', girl  
Lo-o-o-o, lo-o-o-o-ove  
Girl, I'm bringin' everything I offer  
If it's not enough then tell me what you wanna  
A chance to have your love would be an honor  
Just know I bring the heat like a sauna  
I promise I will never bring the drama  
Baby we can fix this, never be a runner  
Go deep, deep, deep, deep, deep like a plumber  
The knock, knock, knock, knock, knock it with my Hummer, hey!  
Baby you're the love of my life  
Girl I need you right by my side  
So baby, tell me what you're doin' tonight  
Matter of fact, what you doin' for the rest of your life?  
Roger that  
I'll do anything just to see your smile  
Roger that  
For your love I would run more than a mile  
Over any mountain, any ocean wide  
I won't stop, stop, stop, stop, 'til I get...  
That love, love, love  
I'm missin' my love, love, love  
Oh and I can't wait to see her

Your love made me a believer  
And I won't fight these feelings anymore  
I can't get enough of your love[Post-  
Lo-o-o-o, lo-o-o-o-ove  
Lo-o-o-o, lo-o-o-o-ove  
Lo-o-o-o, lo-o-o-o-ove  
Lo-o-o-o, lo-o-o-o-ove  
Girl I really hope you get this letter  
You can never find a man will love you better  
And I can keep you warmer than a sweater  
And anything you need, I'll go get you  
I promise I will never leave you stranded  
Angel, I love you from the very day you landed  
Beep, beep, beep, beep, beep, like a Fiat  
Have you huh, huh, huh, huh, huh, breathin' heavy  
Baby you're the love of my life  
Girl I need you right by my side  
So baby, tell me what you're doin' tonight  
Matter of fact, what you doin' for the rest of your life?

Of your love, I won't stop
