

Hear Me

Imagine Dragons

(Try, try, try, try, try, try, try, try)
Try to hear my voice
You can leave
It's your choice
Maybe if I fall asleep I won't breathe right
Maybe if I leave tonight I won't come back
I said it before I won't say it again
Love is a game to you
It's not pretend
Maybe if I fall asleep I won't breathe right Can nobody hear me?
I got a lot that's on my mind
I cannot breathe
Can you hear it too?
You kiss and you kiss and you love and you love
You got a history list and the rest is above
And if you're warm then you can't relate to me
From the floor to the floor and the sky to the sky
you've got to love and adore and the rest is awry
And if you're warm then you can't relate to me I said it before I won't say it again
Love is a game to you
It's not pretend
Maybe if I fall asleep I won't breathe right, right, right Can nobody hear me?
I got a lot that's on my mind
I cannot breathe
Can you hear it too? Leave you shoes at the door baby
I am all you adore lately
Come with me and we will run away
Can nobody hear me?
I got a lot that's on my mind
I cannot breathe
Can you hear it too? Can nobody hear me?
I got a lot that's on my mind
I cannot breathe
Can you hear it too?
