

# Right Round (feat. Ke\$ha)

## Flo Rida

You. spin my head right round, right round  
When you go down, when you go down down  
You spin my head right round, right round  
When you go down, when you go down down Hey, walk out the house with my swagger  
Hop in there with dough, I got places to go  
People to see, time is precious  
I look at my Cartier, outta control Just like my mind where I'm goin'  
No women, no shawties, no nothin' 'about clothes  
No stoppin' now, my Pirellis on roll  
I like my jewelry, that's always on whoa I know the storm is comin'  
My pockets keep tellin' me it's gonna shower  
Call up my homies it's on  
Then pop in the night 'cause this mix'll be ours  
We keep a fade away shot 'cause we ballin'  
It's Platinum Patrón every hour  
Lil' mama, oh, you just like the flowers  
Girl you the drink with all that goody power You spin my head right round, right round  
When you go down, when you go down down  
You spin my head right round, right round  
When you go down, when you go down down From the top of the pole I watch her go down  
She got me throwin' my money around  
Ain't nothin' more beautiful to be found  
It's goin' down down  
From the top of the pole I watch her go down  
She got me throwin' my money around  
Ain't nothin' more beautiful to be found  
It's goin' down down  
Hey, shawty must know I'm the man  
My money love her like a #1 fan  
Don't open my mouth, let her talk to my fans  
My Benjamin Frank-a-lin's A couple of grands, I got rubber bands  
My paper planes makin' her dance  
Get dirty all night, that's part of my plan  
We buildin' castles that's made out of sand She's amazin', fire blazin'  
Hotter than Cajun, girl won't you move a lil' closer  
Time to get paid, it's maximum wage  
That body belong on a poster I'm in a daze, the bottom is wavin' at me  
Like "Damn it, I know ya"  
You wanna shoot like a gun outta holster  
Tell me whatever and I'll be your gopher You spin my head right round, right round  
When you go down, when you go down down  
You spin my head right round, right round

When you go down, when you go down down  
From the top of the pole I watch her go down  
She got me throwin' my money around  
Ain't nothin' more beautiful to be found  
It's goin' down down  
From the top of the pole I watch her go down  
She got me throwin' my money around  
Ain't nothin' more beautiful to be found  
It's goin' down down Yeah, I'm spendin' my money  
I'm out of control  
Somebody help me, she takin' my bank roll  
But I'm king of the club  
And I'm wearin' the crown  
Poppin' these bottles, touchin' these models  
Watchin' they asses go down down  
Down down down down down down down...  
Down down down down...  
You spin my head right round, right round  
When you go down, when you go down down  
You spin my head right round, right round  
When you go down, when you go down down  
You spin my head right round, right round  
When you go down, when you go down down  
You spin my head right round, right round  
When you go down, when you go down down
