

So Long, and Thanks For All the Fish

A Perfect Circle

Time is money and money's time
We wasted every second dime
On diets, lawyers, shrinks and apps and flags and plastic surgery
Now Willy Wonka, Major Tom
Ali and Leia have moved on
Signal the final curtain call in all its atomic pageantryBravissimo, hip hip hooray
For this fireworks display
Mind and body blown away
What a radiant crescendoTicker tape parade
Our hair and skin like Marilyn Monroe
In an afterwind
Time is money and money's time
We wasted every second dime
On politicians, fancy water and guns and plastic surgery
Like old Prince and Brady's mom
All the dolphins have moved on
Signaling the final curtain call in all its atomic pageantryBravissimo, hip hip hooray
What a glorious display
Melt our joyous hearts away
Under the mushroom cloud confettiHip hip hooray
For this fireworks display
Mind and body blown away
What a radiant crescendo
Hip hip hooray
Hip hip hooray
Ticker tape parade
Our hair and skin like Marilyn Monroe
In an afterwindTime is money and money's time
We wasted every second dime
On diets, lawyers, shrinks and apps and flags and plastic surgery
Now Willy Wonka, Major Tom
Ali and Leia have moved on
Signal the final curtain call in all its atomic pageantry
