Fly With Me

Jonas Brothers

If time was still The sun would never, never find us We could light up The sky tonight If I could see the world through your eyes Leave it all behindIf it's you and me forever If it's you and me right now I'd be alright Be alright If we chase the stars to lose our shadow Peter Pan and Wendy turned out fine So won't you fly with meOh yeah Gotta fly with me now Now, the past Has come alive And I've been given meaning, And a reason, To give all I can, To believe, once againIf it's you and me forever If it's you and me right now I'd be alright Be alright If we chase the stars to lose our shadow Peter Pan and Wendy turned out fine So won't you fly with meMaybe you were just afraid Knowing you were miles away From the place where you needed to be And that's right here with me If it's you and me forever You and me right now I'd be alrightIf it's you and me forever If it's you and me right now I'd be alright Be alrightIf we chase the stars to lose our shadow Peter Pan and Wendy turned out fine So won't you fly, fly, fly with me Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
