

Raspberry Beret

Prince & The Revolution

1 2 1 2 3 4 Yeah I was working part time in a five-and-dime
My boss was Mr. McGee
He told me several times that he didn't like my kind
'Cause I was a bit 2 leisurely Seems that I was busy doing something close 2 nothing
But different than the day before
That's when I saw her, Ooh, I saw her
She walked in through the out door, out door
She wore a
Raspberry beret
The kind U find in a second hand store
Raspberry beret
And if it was warm she wouldn't wear much more
Raspberry beret
I think I love her Built like she was
She had the nerve 2 ask me
If I planned 2 do her any harm So, look here
I put her on the back of my bike
And-a we went riding
Down by old man Johnson's farm I said now, overcast days never turned me on
But something about the clouds and her mixed
She wasn't 2 bright
But I could tell when she kissed me
She knew how 2 get her kicks She wore a
Raspberry beret
The kind U find in a second hand store
Raspberry beret
And if it was warm she wouldn't wear much more
Raspberry beret
I think I love her The rain sounds so cool when it hits the barn roof
And the horses wonder who U are
Thunder drowns out what the lightning sees
U feel like a movie star Listen
They say the first time ain't the greatest
But I tell ya
If I had the chance 2 do it all again I wouldn't change a stroke
'Cause baby I'm the most
With a girl as fine as she was then (Raspberry beret)
The kind U find (The kind U find)
The kind U find (In a second hand store)
Oh no no
(Raspberry beret)
(And if it was warm)

Where have all the raspberry women gone? (She wouldn't wear much more)
Yeah (Raspberry beret) I think I... I think I... I think I love her (Raspberry beret)

No No No

No No No (The kind U find)

(In a second hand store)

(Raspberry beret)

Tell me

Where have all the raspberry women gone? (And if it was warm she)

(Wouldn't wear much more)

(Raspberry beret)

I think I love...
