

Dear No One

Tori Kelly

I like being independent
Not so much of an investment
No one to tell me what to do
I like being by myself
Don't gotta entertain anybody else
No one to answer to But sometimes, I just want somebody to hold
Someone to give me the jacket when its cold
Got that young love even when we're old
Yeah sometimes, I want someone to grab my hand
Pick me up, pull me close, be my man
I will love you till the end So if you're out there I swear to be good to you
But I'm done lookin', for my future someone
Cause when the time is right
You'll be here, but for now
Dear no one, this is your love song
I don't really like big crowds
I tend to shut people out
I like my space, yeah
But I'd love to have a soul mate
And God will give him to me someday
And I know it'll be worth the wait So if you're out there I swear to be good to you
But I'm done lookin', for my future someone
Cause when the time is right
You'll be here, but for now
Dear no one, this is your love song But sometimes, I just want somebody to hold
Someone to give me their jacket when its cold
Got that young love even when we're old
Yeah sometimes, I want someone to grab my hand
Pick me up, pull me close, be my man
I will love you till the end
So if you're out there I swear to be good to you
But I'm done lookin', for my future someone
Cause when the time is right
You'll be here, but for now
Dear no one, this is your love song Dear no one
No need to be searching, no
Dear no one
Ooo-ooo-ohh
(Dear no one) Oh-oh-o-oooh
Dear no one
This is your love song
