

# Set the World On Fire

[Britt Nicole](#)

I wanna set the world on fire  
Until it's burning bright for You  
It's everything that I desire  
Can I be the one You use? I, I am small but  
You, You are big enough  
I, I am weak but  
You, You are strong enough to Take my dreams  
Come and give them wings  
Lord with You  
There's nothing I cannot do  
Nothing I cannot do  
I wanna feed the hungry children  
And reach across the farthest land  
And tell the broken there is healing  
And mercy in the Father's hands I, I am small but  
You, You are big enough  
I, I am weak but  
You, You are strong enough to Take my dreams  
Come and give them wings  
Lord with You  
There's nothing I cannot do Take my dreams  
Come and give them wings  
Lord with You  
There's nothing I cannot do  
My hands, my feet  
My everything  
My life, my love  
Lord, use me I wanna set the world on fire  
Wanna set the world on fire, yeah Take my dreams  
Come and give them wings  
Lord with You  
There's nothing I cannot do, no Take my dreams  
Come and give them wings  
'Cause Lord with You  
There's nothing I can't do  
Nothing I can't do I'm gonna set the world on fire  
Set the world on fire
