

Country Strong

Gwyneth Paltrow

I know you see me
Like some wide eyed dreamer
That just rolled in off a dusty mid west bus
Yeah, on the outside I look fragile
But on the inside is something you can't crushCause I'm country strong
Hard to break
Like the ground I grew up on
You may fool me
And I'll fall
But I won't stay down long
Cause I'm country strong
I have weathered
Colder winters; Longer summers
Without a drop of rain
Push me in a corner
And I'll come out fighting
I may lose but I 'll always keep my faithCause I'm country strong
Hard to breakLike the ground I grew up on
You may fool me
And I'll fall
But I won't stay down long
Cause I'm country strong
Cause I'm country strong
Hard to break
Like the ground I grew up on
You may fool me
And I'll fall
But I won't stay down long
Cause I'm country strongI'm country strong
Yeah, I'm country strong
I'm country strong
I'm country strong
I'm country strong
