

Love Letters (Agoria Remix)

Metronomy

Love letters
Love letters
Love letters
Love letters Love letters, all I see
On every day I read
The bits of yellow paper
Addressed from you to me And every day it shows
Inside a book of stamps
To tell you what I'm up to
And say just how I feel
You've got me writing
Love letters
I'll always write you
Love letters You've got me writing
Love letters
I'll always write you
Love letters From far across the sea
They fly from you to me
But still I get no sleep
Oh, my love, don't be mad
Cause I'll keep on writing
Love letters
I'll keep on writing
Love letters
I'll keep on writing
Love letters
I'll keep on writing
Love letters Love letters
Love letters
