

I Will Always Love You

Ali Caldwell

If I should stay
I would only be in your way
So I'll go but I know
I'll think of you every step of the way And I... will always love you, ooh
Will always love you Bittersweet memories
That is all I'm taking with me
So good-bye
Please don't cry
We both know I'm not what you need
And I... will always love you
I... will always love you
You I hope life treats you kind
And I hope you have all you've dreamed of
And I wish you joy and happiness
But above all this I wish you love
And I... will always love you
I will always love you
I will always love you
I will always love you I will always love, love you I will always love you
