

Knees

Ocean Alley

[Bridge]

Day dreamer

Walking through the clouds it's a screamer
And falling from the skies, lots of streamers
It's time to grow up and be a leader, leader, leader

[Pre-Chorus]

Where do we go, where do we go from here
Where do we go, where do we go from here

[Chorus]

Cause I've been on my knees again
Crawling out, crawling out, crawling out
Cause I've been on my knees again
Crawling out, crawling out, crawling out

[Verse]

Cause I'm only a man
And I think I need some time to breathe
But I've done all I can
And I'm hoping one day you'll see

[Pre-Chorus]

Cause I've been on my knees again
Well I've been on my knees
Well I've been on my knees again
Well I've been on my knees

[Bridge]

Day dreamer

Walking through the clouds it's a screamer
And falling from the skies, lots of streamers
It's time to grow up and be a leader, leader

[Pre-Chorus]

Where do we go, where do we go from here
Where do we go, where do we go from here

[Chorus]

Cause I've been on my knees again
Crawling out, crawling out, crawling out
Cause I've been on my knees again
Crawling out, crawling out, crawling out
Cause I've been on my knees again
Well I've been on my knees
Well I've been on my knees again
Well I've been on my knees

[Pre-Chorus]

Well I've been on my knees again

Well I've been on my knees
Well I've been on my knees again
Well I've been on my knees
[Outro]
Well I've been on my knees again
Well I've been on my knees
