

Turn the Lights Off (Radio Edit) [feat. Jon]

KATO

I got so sick of being on my own
Now the devil won't leave alone
Ooohh oooh
Cuz it's getting lateI said oooh
I know you're gonna try to hang tough
But oooh
You shouldn't hesitateI had love to burn
You had a wounded heart
Eyes 'cross a crowded room
Should we let this startI said oooh
Come on baby turn the lights off
Ooohh oooh
Cuz it's getting lateI said oooh
I know you're gonna try to hang toughBut oooh
You shouldn't hesitateI had love to burn
You had a wounded heart
Eyes 'cross a crowded room
Should we let this startI said oooh
Come on baby turn the lights offOoohh oooh
Cuz it's getting lateI said oooh
I know you're gonna try to hang tough
But oooh
You shouldn't hesitateI said oooh
Come on baby turn the lights offOoohh oooh
Cuz it's getting lateI said oooh
I know you're gonna try to hang toughBut oooh
You shouldn't hesitate
