

# I'll Never Love Again

## Lady Gaga & Bradley Cooper

Wish I could, I could've said goodbye  
I would've said what I wanted to  
Maybe even cried for you  
If I knew it would be the last time  
I would've broke my heart in two  
Tryin' to save a part of you Don't wanna feel another touch  
Don't wanna start another fire  
Don't wanna know another kiss  
No other name falling off my lips  
Don't wanna to give my heart away  
To another stranger  
Or let another day begin  
Won't even let the sunlight in  
No, I'll never love again  
I'll never love again, ooh  
When we first met  
I never thought that I would fall  
I never thought that I'd find myself  
Lying in your arms  
And I want to pretend that it's not true  
Oh baby, that you're gone  
'Cause my world keeps turning, and turning, and turning  
And I'm not moving on Don't wanna feel another touch  
Don't wanna start another fire  
Don't wanna know another kiss  
No other name falling off my lips  
Don't wanna give my heart away  
To another stranger  
Or let another day begin  
Won't even let the sunlight in  
No, I'll never love  
I don't wanna know this feeling  
Unless it's you and me  
I don't wanna waste a moment, ooh  
And I don't wanna give somebody else the better part of me  
I would rather wait for you, ooh Don't wanna feel another touch  
Don't wanna start another fire  
Don't wanna know another kiss  
Baby, I'll stay on your lips  
Don't wanna give my heart away  
To another stranger  
Or let another day begin

Won't even let the sunlight in  
Oh, I'll never love again Love again  
Oh, I'll never love again  
I'll never love again  
I wouldn't want to swear I can  
I wish I could but i just won't  
I'll never love again  
I'll never love again, oh
