

I'll Never Love Again

Lady Gaga & Bradley Cooper

Wish I could, I could've said goodbye
I would've said what I wanted to
Maybe even cried for you
If I knew it would be the last time
I would've broke my heart in two
Tryin' to save a part of you Don't wanna feel another touch
Don't wanna start another fire
Don't wanna know another kiss
No other name falling off my lips
Don't wanna to give my heart away
To another stranger
Or let another day begin
Won't even let the sunlight in
No, I'll never love again
I'll never love again, ooh
When we first met
I never thought that I would fall
I never thought that I'd find myself
Lying in your arms
And I want to pretend that it's not true
Oh baby, that you're gone
'Cause my world keeps turning, and turning, and turning
And I'm not moving on Don't wanna feel another touch
Don't wanna start another fire
Don't wanna know another kiss
No other name falling off my lips
Don't wanna give my heart away
To another stranger
Or let another day begin
Won't even let the sunlight in
No, I'll never love
I don't wanna know this feeling
Unless it's you and me
I don't wanna waste a moment, ooh
And I don't wanna give somebody else the better part of me
I would rather wait for you, ooh Don't wanna feel another touch
Don't wanna start another fire
Don't wanna know another kiss
Baby, I'll stay on your lips
Don't wanna give my heart away
To another stranger
Or let another day begin

Won't even let the sunlight in
Oh, I'll never love again Love again
Oh, I'll never love again
I'll never love again
I wouldn't want to swear I can
I wish I could but i just won't
I'll never love again
I'll never love again, oh
