

Burberry Headband

Lil Mosey

Skrтт, skтт
Skrтт, skттPulled up in a beamer, I was flexin'
Poured a cup of wock, cause I was stressin'
After you, I'm fucking on your best friend
She love me, she see Burberry my headband
Put on all my ice now I feel so cool
You worry bout a nigga like a hoe do
I never chase a bitch I thought I told you
I just chase the money like I'm posed to
Pull up, I was flexing out a beamer
Prolly why you mad cause my shit cleaner
Running to the bands like a competer
Fuck her till the mornin' then I leave her
Don't address me you is a broke nigga, aye
I don't wanna see you at my show nigga
She wanna text me she must throw throat, aye
But first don't pass me, bitch bring me dough, ayePulled up in a beamer, I was flexin'
Poured a cup of wock, cause I was stressin'
After you, I'm fucking on your best friend
She love me, she see Burberry my headband
Put on all my ice now I feel so cool
You worry bout a nigga like a hoe do
I never chase a bitch I thought I told you
I just chase the money like I'm posed to
All these niggas asking how I do that

Poured a cup of wock, cause I was stressin'
After you, I'm fucking on your best friend
She love me, she see Burberry my headband
Put on all my ice now I feel so cool
You worry bout a nigga like a hoe do
I never chase a bitch I thought I told you
I just chase the money like I'm posed to
