

# Crumblin' Down

John Mellencamp

Some people ain't no damn good, you can't trust 'em, you can't love 'em  
No good deed goes unpunished  
And I don't mind bein' their whippin' boy  
I've had that pleasure for years and years No no I never was a sinner, tell me what else can I do  
Second best is what you get 'til you learn to bend the rules  
And time respects no person, and what you lift up must fall  
They're waiting outside to claim my tumblin' walls Saw my picture in the paper  
Read the news around my face  
And now some people  
Don't want to treat me the same When the walls come tumblin' down  
When the walls come crumblin', crumblin'  
When the walls come tumblin', tumblin'  
Down  
Well some people say I'm obnoxious and lazy  
I'm uneducated, my opinion means nothin'  
But I know I'm a real good dancer  
Don't need to look over my shoulder to see what I'm after Everybody's got their problems, ain't  
no new news here  
I'm the same old trouble you've been havin' for years  
Don't confuse the problem with the issue girl  
It's perfectly clear, just a human desire to have you come near Wanna put my arms around you  
Feel your breath in my ear  
You can bend me, you can break me  
But you'd better stand clear When the walls come tumblin' down  
When the walls come crumblin', crumblin'  
When the walls come tumblin', tumblin'  
Tumblin', tumblin' down  
When the walls come tumblin' down  
When the walls come crumblin', crumblin'  
When the walls come tumblin', crumblin'  
Down Wanna put my arms around you  
Feel your breath in my ear  
You can bend me, you can break me  
But you'd better stand clear When the walls come tumblin' down  
When the walls come crumblin', crumblin'  
When the walls come tumblin', tumblin'  
Tumblin', tumblin' When the walls come tumblin' down  
When the walls come crumblin', crumblin'  
When the walls come tumblin', tumblin'  
Tumblin', tumblin' When the walls come tumblin' down  
When the walls come crumblin', crumblin'  
When the walls come tumblin', tumblin'

Tumblin', tumblin' down
