Hollywood's Not America

Ferras

Born Helena Jane
With a restless soul
She moved west to california
Became a center-foldBut once you change your name
Well the pieces fall

Now she hardly recognizes herself at allAnd there's never any rain, when you want it A hollow little game, and you've won it

Looking for a thrill but you've done it allSo long, put your blue jeans back on girl Go home

Remember hollywood is not america So long put your blue jeans back on girl

Go home

Remember hollywood's not america

O yeah!

And everybody heres, from somewhere else You could make a million dollars, but you might lose yourself And you can take the heat will your heart go cold

They say acting's just pretending, even that gets oldAnd there's never any rain, when you want it A hollow little game, and you've won it

Looking for a thrill but you've done it all So long, put your blue jeans back on girl

Go home

Remember hollywood's not america So long put your blue jeans back on girl

Go home

Remember hollywood's not americaAnd i know what to do when

I know that you

You can be anything you want to be So long, put your blue jeans back on girl

Go home

Remember hollywood's not america So long put your blue jeans back on girl

Go home

Remember hollywood's not america Hollywood's not america It's not americaBy josafa
