

Angel

Jackie Evancho

Spend all your time waiting
For that second chance
For a break that would make it okay
There's always one reason
To feel not good enough
And it's hard at the end of the day I need some distraction
Oh, beautiful release
Memories seep from my veins
Let me be empty
And weightless and maybe
I'll find some peace tonight In the arms of an angel
Fly away from here
From this dark, cold hotel room
And the endlessness that you fear
You are pulled from the wreckage
Of your silent reverie
You're in the arms of an angel
May you find some comfort here So tired of the straight line
And everywhere you turn
There's vultures and thieves at your back
The storm keeps on twisting
You keep on building the lie
That you make up for all that you lack It don't make no difference
Escaping one last time
It's easier to believe
In this sweet madness
Oh, this glorious sadness
That brings me to my knees
In the arms of an angel
Fly away from here
From this dark, cold hotel room
And the endlessness that you fear You are pulled from the wreckage
Of your silent reverie
You're in the arms of an angel
May you find some comfort here In the arms of an angel
Fly away from here
From this dark, cold hotel room
And the endlessness that you fear You are pulled from the wreckage
Of your silent reverie
You're in the arms of an angel
May you find some comfort here
You're in the arms of an angel

May you find some comfort here
