

# Angel

Jackie Evancho

Spend all your time waiting  
For that second chance  
For a break that would make it okay  
There's always one reason  
To feel not good enough  
And it's hard at the end of the day I need some distraction  
Oh, beautiful release  
Memories seep from my veins  
Let me be empty  
And weightless and maybe  
I'll find some peace tonight In the arms of an angel  
Fly away from here  
From this dark, cold hotel room  
And the endlessness that you fear  
You are pulled from the wreckage  
Of your silent reverie  
You're in the arms of an angel  
May you find some comfort here So tired of the straight line  
And everywhere you turn  
There's vultures and thieves at your back  
The storm keeps on twisting  
You keep on building the lie  
That you make up for all that you lack It don't make no difference  
Escaping one last time  
It's easier to believe  
In this sweet madness  
Oh, this glorious sadness  
That brings me to my knees  
In the arms of an angel  
Fly away from here  
From this dark, cold hotel room  
And the endlessness that you fear You are pulled from the wreckage  
Of your silent reverie  
You're in the arms of an angel  
May you find some comfort here In the arms of an angel  
Fly away from here  
From this dark, cold hotel room  
And the endlessness that you fear You are pulled from the wreckage  
Of your silent reverie  
You're in the arms of an angel  
May you find some comfort here  
You're in the arms of an angel

May you find some comfort here
