

# Sparks after the Sunset (with Sarah Lynn)

## Cosmic Gate

ft. Sarah Lynn  
I see the lightning in display  
Where we are  
I feel the energy  
Ive been a cold ice without you  
But now  
My heart is open  
Do these flames rise higher  
Above the smoke  
Will you feel  
The sparks after the sunset  
And stay close  
To see the fire burn  
See the fire burn  
Will you feel  
The sparks after the sunset  
And stay close  
To see the fire burn  
Will you stay  
And wrap your arms around me  
Stay close  
To see the fire burn  
See the fire burn
