

Listen to Your Heart

Alicia Keys

He says
"Have no fear
open up
Let me in" He says
"Take a chance
Here's your song
Time to dance" What you're gonna do when it comes for you?
Listen to my heart Oh, You gotta listen to your heart
Oh, Why don't you listen to your heart? He says
"Here's your sky
Don't look down
We can fly"
You said
"You're a little bit scared
Just hold on
We're almost there" What you're gonna do when it comes for you?
Listen to my heart Oh, You gotta listen to your heart
Oh, Why don't you listen to your heart? You never know until you try
Why so scared when hearts don't lie?
Turn off the world and close your eyes
Lose yourself and listen to your heart Oh, Why don't you listen to your heart?
Oh, Why don't you listen to your heart? Hey
You know what to do when it comes for you
Hey
You gotta listen baby
Aha, You gotta listen to it
I'll get you hear it
You gotta listen baby
Mmm
